

We Have \$100 Waiting For You!

The BloomNet Network is growing, and we need your help in finding new BloomNet Professional Florists with the same dedication to quality, value and service as you. If you know someone, please tell us – your referral could be worth one hundred dollars! Shown in the photo below holding the \$100 check he received for his referral is Tony from Wee Bee Country Florist in Amityville, New York. For more information about the BloomNet “Refer a Florist” Program, please see the [passiton](#) link on our website.
